e-Book only {Simple} | \$200

Want to make a splash with your book cover? Look no further than this e-Book only, "Simple" package. This includes a custom designed cover, up to 2 Stock photos, and your input through the whole process.

e-Book only {Complex} | \$250

This package is similar to the "Simple" package but includes up to 4 Stock photos. This is a good option for more complex covers. Of course, your input is included through the whole process.

Print & eBook {Simple} | \$300

Going print and digital? This package is perfect for simple covers that create a timeless appeal to readers. This package includes a full spread design (front, spine, back) with up to 3 Stock photos incorporated in the design. This includes an Amazon-ready ebook and KDP file ready to upload for the full-spread as well as your input is included through the whole process.

Print & eBook {Complex} | \$350

Just like the "Simple" version, the "Complex" incorporates a full-spread and eBook design, but offers up to 4 Stock photos, Photoshop image manipulation, and an additional file modification (such as formatting for Ingram Spark). Your input will be valuable during the whole process.

Author Bundle | \$400

This is the ultimate package for Indie Authors! Not only will it incorporate all that the Print & eBook Complex package offers but it will also include a 3D version of the book, authors choice of a graphic (either cover reveal, release, pre-order) sized for ALL social media platforms, as well as a custom designed book plate (delivered digitally).

Multiple Books Discount

Are you planning on publishing a series? If you are interested in keeping your title font and other aspects the same (or similar) you may qualify for a discount. Having a similar set up means less changes for me which results in a lower price for you!
